

## FROM THE PIT TO THE PALACE (Genesis 41:1-57)

I think we can all see how God used adversity to prepare Joseph for the promotion and power he receives in Genes chapter 41. But have you noticed that it was national disaster which provided the occasion for this promotion? Pharaoh would never have promoted Joseph unless he knew that there were trying days ahead and difficulties which were beyond him and his wisest advisors. That is when the Josephs are needed, in adversity.

Some of us, as Christians, would do well in the matter of prophecy. We are great prophets of doom. We love to stand up and proclaim to the world that the world is going to Hell on a bobsled. And we stop just at this point, with only the bad news. Joseph did not stop here; he had a message of hope, a message which provided a solution for the problems of that day.

The ultimate solution to the problems of mankind is a spiritual one. The crises of our lives are, at bottom, a result of sin. And the solution to the problem of sin is one that only God, through the death of His Son on the cross of Calvary, has the answer to. Let us be faithful to offer men hope and not just despair. It is in man's darkest hours that the message of the gospel is most desperately needed and when godly men and women are turned to.

But let us not stop with this, as fundamental and primary as it is. We live in days of tremendous difficulty. It takes little wisdom or ability to confirm the fact that things are bad, but it takes the wisdom which only God gives to offer solutions to the practical problems of hunger and injustice, of energy and ecology. Let us, like Joseph, speak to these issues too, with wisdom and skill, and by this add credibility to the faith which we proclaim. **Study By: Bob Deffinbaugh, [www.bible.org](http://www.bible.org)**

# PULPIT

In midautumn before October 8th  
A high wooden platform was made  
Ezra, the priest stood on this creation  
The foundation, a pulpit was laid.

He read aloud to all the people  
The pulpit put him in full view  
The people wept and rejoiced  
For this was something new.

From early morning to noontime  
All the people stood to their feet  
Facing the new-built high platform  
The people would not take a seat.

Back then, after hearing God's word  
They bowed down to the ground  
They lifted their hands to heaven  
They had too great joy to sit down.

So Ezra had six men on each side  
All standing to listen to the Word  
They ordained the day a "sacred day"  
For hearing things they'd never heard.

So when you step up into the pulpit  
Please know it is a sacred place  
Do not mistake it for the highness  
For He gives the humble His grace.

You who stand in God's pulpits  
Precious souls are in your hand  
The words you proclaim, profess  
Is supposed to be life to man.

A good pastor enlightens, empowers  
From dungeons, they pull you out  
They speak with the fire of God  
Renouncing evil, healing doubt.

Throw out the life-line, pastors  
Oh Shepherds of God's flock  
Are you not anointed, appointed  
Like Apostle Peter, the rock?

God is building His church on you  
You are His feet, His eyes, His hand  
The pulpit words you proclaim, profess  
Are supposed to give life to man.

*Ezra stood on the platform in full view of all the people. When they saw him open the book, they all rose to their feet. Nehemiah 8:5*

## PRELUDE

Wars in the heavenlies are prompting Father to send out His spiritual warriors for battle. Souls are in danger as never before! The Hebrew men and women of the Bible were restless searchers for meaning and destiny just as we are today, captive in their own human souls and situations - but there is a mystery to the human soul and God used His Holy words through spiritual and prophetic writers to inspire humans to find rest for their souls in Him. He breathed upon the holy Books of the Bible with His Spirit so that no other book in the world would inspire humans such as The Holy Bible. This book "Detours to Destiny" was written from that same book and also breathed upon by the Spirit of God written by one of His spiritual writers and published at this opportune time due to several major factors determined only by God in reference to this late day and hour. The sincerity and obedience of the writer is a definite asset, but she takes no credit except that she's His vessel. The author surrendered everything to God to be His chosen vessel, His pen for the work of the Gospel. In this volume, there are only excerpts from the original work. May this written work remove the scales from your eyes, the shackles from your soul, the chains from your progress, and the locks from your earthly treasures. Unusual blessings will be released in your life. *Arise, Shine; for thy light is come, and the glory of the Lord is risen upon thee, Isaiah 60:1.*

# Anointed Ones, Touch Them Not

Be careful of what you say and you do  
God can be terrible, His words are true  
You say hard things about men of God  
God will suddenly strike your heart

They hated Peter, they hated Paul  
They hated Jesus, All great men called.  
They crucified Jesus, They murdered Paul  
They killed Peter, They hated them all.

All God's anointed, All His appointed  
Were challenged, charged, abused, hunted.  
The disciples and Jesus did a many wonder  
Yet they were killed and sawn asunder.

When God puts greatness into a man  
That man gains enemies all over the land.  
*Desperately wicked is a man's heart*  
*And full of deceit* saith the Lord

All the miracles Christ did perform  
Yet His accusers caused Him great harm.  
A man of God anointed and great  
Will always be a man to envy and hate.

2/6/99  
Excerpts

A man righteous doing what God said  
If not for God would soon be dead  
Men of little faith, little enemies has he  
But great men of faith have greater enemy.

They turned against Moses in spite of his rod  
And Moses told them *"It's not me but God"*.  
*"Speak not to me. I'm merely a man.*  
*It is God you attack. You fight His hand."*

We are only messengers, not the Holy One!  
Who sent the Holy Ghost? Who sent the Son?  
But yet, inheritors, protected and sealed  
Commissioned by God and Spirit-filled!"

So be careful of what you say and do  
God can be terrible, His words are true.  
He guards His Words, He protects our souls  
He chooses men/women to reach His goals.

Until you've tried Him, don't you knock Him  
Until you know Him, don't you block Him.  
So tame that tongue, close thy mouth  
Or you will suffer The Father's wrath.

*He suffered no man to do them wrong: yea, He reprov'd kings  
for their sakes, Saying, Touch not Mine anointed, and do My  
prophets no harm. I Chronicles 16:21-22*

# Carnal Man vs Spiritual Man

*Meet the Carnal Man  
With his carnal mind  
Only fasting and praying  
Will deliver this kind*

*The carnal mind  
In the carnal man  
All things of the Spirit  
He won't understand*

*Strife and division  
Conflict and discord  
Open opposition  
Enmity against God*

*Full of earthy wisdom  
Variance and contention  
This is the carnal man  
Of deceit and dissension*

*Where the carnal man is  
There is much strife  
Where the Spirit man is  
There is truth and life.*

*Meet the spiritual man  
With his godly mind  
He has power to loose  
And power to bind*

*The spiritual mind  
In the spiritual man  
All things of the Spirit  
He will understand*

*Peace and unity  
Honor and respect  
Harmony, purity  
He is God's elect*

*Servants of Christ  
Abiding in His love  
This is the Spirit man  
Of wisdom from above*

*The spirit of bondage  
Is the mind of the flesh  
The spirit of freedom  
Is life lived in holiness.*

# PIT

<http://www.pastorsinpain.com/resources/josephs-pit>

*In this pit, Oh Lord I am in  
I need consolation lest I sin  
Let your goodness overcome  
Let Your will to me be done  
Ensure me that You will bring me out  
With Your Word without a doubt  
Your compassion strong and sure  
I know Your love's genuine and pure  
O' Father deliver now my soul  
I kneel at Your throne confident and bold  
Quickly cure my anguish and pain  
Pull me out in Jesus Name  
Out from under this darkness of night  
Bring me to Your Holy light  
Endow Your servant with holy strength  
For all my sins, I confess and repent  
Incline Thine ear to my voice, sweet Lord  
Thou art my Savior and my God  
After the long night affliction past  
A-ha, it's me, pure gold at last!*

3/10/98

*Thou, which hast shown me great and sore troubles, shalt quicken me again, and shalt bring me up again from the depths of the earth. Thou shalt increase my greatness, and comfort me on every side. Psalm 70:20-21*

## Osama Bin Laden?

*What is wrong with this frame of man?  
Why does he put lives in his hand?  
What kind of heart this man has he?  
Who has taught him this philosophy?*

*Is the man deranged or is he ill?  
What mind would hunger just to kill?  
What religion would teach such lies?  
What belief could bind such ties?  
That men would themselves suicide  
All for Allah and all for pride  
But God is a God of life and love  
He will pay us vengeance from above.  
This frame of man is made of evil  
Shame, disdain, and satanic mishevel*

*His god was thrown from heaven's skies  
He is but Lucifer, the father of lies.  
It is he who distorts and bind such ties.  
Nobody wins when a loved one dies.*

*Or is this man a mere scapegoat?  
Was he rightfully killed upon the rope?  
Knowing all truths, could we even cope?  
We must have faith and keep the hope.*

# HIGH PRAISES

## WE ARE FREE

Clap your hands and magnify Him, With the voice of triumph, let's shout  
He has set our feet upon a rock, Let high praises be in thy mouth  
Your miracle request is already known, just grasp it in your hand  
God has done miracles many time before and God will perform them again  
But let his will come forth in you, His perfect will for thee  
All things you touch shall prosper, from bondage, He'll make you free  
Free from curse, free from pain, free from poverty, free to gain  
Free from death, free from sin, free from afflictions, free to win

So clap your hands and magnify Him  
With the voice of triumph, let's shout  
he has set our feet upon a rock  
Let high praises be in thy mouth  
he brings us up out of the horrible pits  
Command angels to deliver us from pens  
Protects us when drive to the mountains' caves  
And rescues His anointed from dens  
For He is great and doth wondrous things  
Compassionate and ready to forgive  
Plenteous in mercy, truth, and love  
Brings us to wealthy places to live  
So clap your hands and magnify Him  
With the voice of triumph, let's shout  
He has set our feet upon a rock  
Let high praises be in thy mouth  
He brought His people out of the wilderness  
He brought Christ out of the grave  
He brought Daniel out of the lions' den  
He brought David out of the cave  
He brought disciples out of prisons  
He brought Saul to the light  
He brought Lot out of the city of bondage  
He brought His anointed ones out alright  
So clap your hands and magnify Him  
With the voice of triumph, let's shout  
He has set our feet upon a rock  
Let high praises be in thy mouth.

# From Death unto Life

He obeyed death and loosed it's pain  
So that death for Saints would only be gain  
Death hath no dominion, for we shall reign  
And judge the world in Jesus Name  
Death is swallowed up to no more stain  
The Second Adam, Christ, defeated it's aim  
So when a Saint dies it's to higher plain  
To heavenly places Hell can't contain  
So don't you fret for living right's not vain  
Inheritance is ours for us to claim  
A better place where no need for fame  
Fortunes too great and marvelous to explain  
Death, be not proud, for you're only a flame  
You touch only the body, a human frame  
Our souls are from God, He will reclaim  
We will all return from whence we came  
Yes, the Second Man, Adam, Christ the same  
Conquered Death's dominion enduring the shame  
The grave has no victory for Death can't restrain  
The Saints are redeemed by His blood and His Name  
The Lamb has the key earned by passion and pain  
All Saints shall rejoice, Let your voices proclaim  
*"From Death Unto Life, YES, the Saints shall reign..*

# The Destiny of All Creation

Christ deserves standing ovation  
Every day and night, a celebration  
On His shoulders rested destination  
Of every human, God's creation..

Stand up, be counted, every nation  
Christ has redeemed God's creation  
Heaven and earth receive proclamation  
Rejoice and shout with great elation..

The Father unveils the obligation  
On the Mount of Christ's Temptation  
The Holy Spirit gave the revelation  
Of Christ's anointed incarnation.

Thru tribulation and dedication  
Comes justification and legislation  
He is the Hope of every nation  
A new generation and declaration..

What revelation you say, you ask?  
Tis' pure knowledge eternity past  
It compelled Him into the wilderness  
To wander in a 40-Day's fast.

After the pain and humiliation  
At the Cross of pure degradation  
Christ restored Man to condonation  
We became heirs of His salvation.

The revelation when John baptized  
The Great Spirit of God opened His eyes  
*"Remember, a lamb will be sacrificed,  
And You, dear Son, shall pay the price."*

Christ received great commendation  
On the Mount of Transfiguration  
Moses and Elijah had conversation  
With Christ The Lord, the True Foundation.

## The Destiny of All Creation

After the 42<sup>nd</sup> Generation  
After the fullness of Dispensation  
Christ Jesus obtained Consummation.

Every sin, every iniquity, every wrong  
Committed against Your holy throne  
Forgive me, cleanse me, and purify  
Renew, repair, revive, mortify  
Wash me, cleanse me thru and thru  
I surrender Lord, my all to you  
Take this broken vessel and restore  
I give my soul, mind, body, and heart  
Deep down within to the root  
From the top of my head to sole of foot  
Wash me, cleanse me and make pure  
Touch me until righteousness is sure.

## King Saul - King David - Prince Jonathan

**A change in the body of Christ is taking place  
God's calling for order, a church brand new  
A church willing to sacrifice, give up old things  
Who will look at itself through heaven's view.**

**The Davidic covenant speaks against tradition  
Awake! This is the day, the time and the hour  
God is calling us to come out of the house of Saul  
If we obey, He will magnify Zion's power.**

**The house of Saul is the spirit of tradition  
The house of David is the spirit of God  
God is calling us to be like Prince Jonathan  
Be willing to move in the Spirit of the Lord.**

**If we choose to ignore and harden our hearts  
God will take away His presence and glory  
Come out of Saul's house! Live with David.  
This will be a revival of a prophetic story.**

# OH GROW UP

You can't and won't grow  
You don't want to know  
You don't want to learn  
You don't want to discern.

You don't want what's true  
You don't want to renew  
You don't want what's pure  
You don't want to hear.

You don't want the Lord  
You don't want a new heart  
You don't want the power  
You don't want revival.

What you want is control  
To destroy your own soul  
What you want are lies  
You don't want to be wise.

What you want is strife  
You want your carnal life  
What you spread is ill-will  
You will earn a deadly seal.

Christians, if you'd just grow up  
Oh Israelites, and be mature  
Vessels of honor without shame  
Working out salvation with fear.

Grow up, for goodness sakes  
Twenty years you're still the same  
You haven't stepped up one level  
Your spiritual life is dull and lame.

You can't get off the pacifier  
You're too weak for gospel meat  
All you can take is a little milk  
But you feast off anything sweet.

The viper strikes again  
For it can not stand the heat  
Rest assured that Spirit fire  
Will manifest those of deceit.

The Viper's poison tongue  
This is what it will do  
After all the joy and glory  
He'll strike without a clue.

Paul shook the viper loose  
Which latched onto his arm  
Others expected him to perish  
But Paul suffered no harm.

God's anointing is too super  
It is the power of the Lord  
It is the moving of His Spirit  
To fight vipers, you need God!

# Escape!

Escape thou clean ones from error  
And know the Spirit of Truth  
Be ready to receive and respond  
Like Mary, Nicodemus, and Ruth.

Test your doctrines and traditions  
Do they line up with the Word?  
Ask for God's holy wisdom  
Forget dead things you've heard.

Watch out for the Spirit of Error  
He who thinketh that he stands  
Make full proof of thy righteousness  
Or die in the wanderlands.

If your church is caging you  
And money is the primary goal  
If it is giving you its own ideals  
These are wolves to destroy your soul.

"False prophets, said Jeremiah, are lying  
Against the true prophecy of God  
They claimed they were the true prophets  
But they were not sent from the Lord.

And at the church at Ephesus  
Paul warned seven years before:  
"Grievous wolves will soon rave,  
Strange teaching, children please ignore."

Jesus said in Matthew 7:15  
Ravenous wolves will lead them astray  
Paul said they speak perverse things  
In the end, will cause great falling away.  
II Thessalonians 2:1-12

Jude said, "The hypocrites will rise,  
The great apostasy nearing the end,  
Destructive heresies, they will speak  
And permit the deadly trend."

Corruption in the church of God  
It's a sin beyond compare  
Those who are guilty, take warning  
For the Lord of Hosts will not spare.

Remember Sodom and Gomorrah  
And the flood against the whole race  
Remember the wicked angels  
It's lethal to be against His face.

Be not conformed with these servants  
They are destructive, walking in lust  
Covetous, greedy, brute beasts  
Full of adultery from dawn 'til dust.

In Revelation, Chapter 17  
Doctrine of devils are at work  
Full of names of blasphemy  
Now the full-grown harlot church.

The seven churches give the message  
What church are you in today?  
Of the seven, two only passed  
Is your church measuring up God's way?

Christ is coming back for His church  
A church without wrinkle or spot  
Not half good and half bad  
Not lukewarm or cold, but hot.  
Revelation 4:1-8

So be strong, you mighty ones  
Strive not in your mind and soul  
But be saved to the uttermost  
In holiness, be thou made whole.

# greater LOVE

When you have the love of God  
Deep down inside your heart  
The love is deeper goes deeper than a pit  
True lover's knot and holy-knit

Yes, you see, the love of God  
Is like an everlasting rod  
No matter what you do or say  
It grows stronger every day

A love that cherishes, a love that lasts  
A love that's pure, no phony masks  
A love that's real, a love that feels  
A love that serves, a love that heals  
A love that shakes, a love that moves  
A love that gives, a love that soothes  
A love that's solid, a love that's great  
A love so powerful it will overthrow hate  
A love that lifts, a love that'll teach  
A love that will call, a love that will reach  
Benevolent, unselfish, loyal and true  
A love that won't falter but will pull you thru.

# THE END OF THE LAW

And He is the End of the Law.**

# TEST

Can you pass the test?  
It is what brings out the best.  
Can you take the heat?  
Will you die in defeat?  
Prepare for tests of faith  
How will you fare or rate?

*A plot, a strategy, a plan...  
To shape the destiny of Man.*

Adam, don't eat that fruit!  
Eve, don't be deceived!  
For the crafty one is lurking  
To destroy what God conceived.

"Cain, watch out, beware!"  
Warned the Voice of God.  
But yet Cain failed the test  
And God banished him to Nod.

Abraham, it's just a test  
Of your obedience and faith  
"Sacrifice your son Isaac"  
Let's see how well you rate.

Faithful Abraham fully obeyed  
To the tittle, the last step  
Earth's blessing was at stake  
Abraham knew not it's depth.

Because Abraham passed the test  
He fathered the redemption story  
He was destined to be blessed  
From glory to glory to glory.

A test, a trial, a quiz  
A quiz, a trial, a test  
Are you shallow or a whiz?  
Will you really do your best?

*A plot, a strategy, a plan...  
To shape the destiny of Man.*

He gives me peace and rest  
After the trials of my faith  
After the fiery test.*

# Not Like Them

**Called with a holy calling..II Timothy 1:9**

You're set aside to be holy  
To you, no one can compare  
Israel, you're Mine, you're the Father's  
Holiness shall be the garment you wear.

You're commissioned, anointed, appointed  
Called out to do great warfare  
To lighten the load, to loose and bind  
To carry the cross I had to bear.

# Mark 7

**It's the thought-life  
That stirs up strife  
Sexual immorality  
Pure evil thoughts  
Greed and adultery  
Anger, rage, and wrath  
Wickedness, deceit  
Murder and greed  
Witchcraft and pride  
And lustful need  
Slander, foolishness  
Jealousy and theft  
All your evil thoughts  
So examine yourself.**

# A New People

**John saw a new heaven and a new earth  
I see a new people and a new birth  
Of a peculiar people, children full of might  
Transformed in God's image, our Father of Light...**

Partakers, inheritors of the saints in light  
Changed in God's image, new children of might.

**A chosen generation translated by Christ  
Blameless and harmless sons of God shall rise  
In the midst of a crooked and perverse nation  
They will be the firstfruits who endured tribulation.**

Partakers, inheritors of the saints in light  
Changed in God's image, new children of might.

**Begotten with the WORD deemed holy creatures  
A people illuminated bearing the Father's features  
From glory to glory, they will soon manifest  
Angels gather north, east, south and west.**

John saw a new heaven and a new earth  
I see a new people and a new birth.

# My People Perish

How well do I remember  
A saying bold and clear  
“What you don’t know won’t hurt you  
So don’t you even fear.”

But this saying proves untrue  
And dangerously this is so  
For what harms us the most  
Is that that we don’t know.

Without knowledge of God’s words  
Man continues to fall short and miss Him  
Forever walking in carnality  
And in the spirit I call D.I.M.

What you don’t know will hurt you  
Dangerously sad and true  
But those who dig deep to study God  
Are but only a faithful few.

I, myself, found many errors  
How I thought, what I believed  
It would behoove us to take inventory  
Or we will be sorely deceived.

# NEW COVENANT

The old stone-etched law  
Although it began with glory  
Can not even be compared  
To the new redemption story...  
The Covenant is a holy treasure  
Tis' a light and power within  
The exact likeness of God  
In that Christ washed away sin...

With sincerity and Christ's authority  
Let His anointed preach this Word  
Ministers of the New Covenant  
Messages no one's ever heard...  
Let us spread this Good News  
Like a perfume of sweet smell  
A fragrance scented of Christ  
The living Word that will prevail...

This covenant is not of writing  
But it is called the "New Way"  
Not of laws, but of the Spirit  
The old system has faded away...  
This New Covenant is glorious  
For it makes us right with God  
The Old Covenant veils the truth  
The New Covenant changes the heart...

The Bible states it clearly  
Men will not understand  
When they read Moses' writings  
It's like hiding truth in the sand...  
The Bible says it again  
“You will not understand  
The Old Law of Moses  
Only shadows the Son of Man...”

No more sacrificing of bulls  
Doves, birds, or the flesh of a ram  
We have a mediator of a better covenant  
The Son of The Great I AM.  
He is the holy and sacrificial lamb.

# BOUND TO GIVE THANKS

*ministering, praising, giving*

*For all things are for your sakes, that the abundant grace might through the thanksgiving of many redound to the glory of God. 2 Corinthians 4:15*

Offering always a sacrifice of thanks  
For in thanks to God I'm bound  
I shall always thank and praise Him  
For thru thanks graceshall redound.

**Ministering, praising, giving.**

I publish with a voice of thanks  
With thanksgiving I read His word  
For in Him I am a true sanctuary  
And in gratitude, my prayers are heard.

**Ministering, praising, giving.**

Divine thanks and praise I give Him  
Jesus did it with the loaves of bread  
Jesus thanked him calling forth Lazarus  
And Lazarus came forth from the dead.

**Ministering, praising, giving**

Jesus thanked Him upon taking the cup  
For the Cross that He was to bear  
Christ was always confident and grateful  
Thanking the Father having no despair.

**Ministering, praising, giving.**

Remember to count it all joy  
Give thanks, thanks without cease  
Enter into His gates with thanksgiving  
Praise him for the Prince of Peace.

**Ministering, praising, giving.**

How thankful we should remain  
For God has done great things  
So much he has provided for us  
He has carried us upon His wings.

**Ministering, praising, giving.**

He led us and showed forth His love  
From Egypt and the wilderness of Sin  
O' Lord, Father, You have brought me  
Out of the pit, pen, caves and den.

**Ministering, praising, giving.**

My enemies could not stop me  
I thank Thee for being my Lord  
You sent down fire and water  
I love You with my soul, my heart.

**Ministering, praising, giving.**

I am bound to give you thanks  
I am bound to praise Your name  
I am bound to always worship you  
For in You, my soul shall reign.

11/23/98

He always called Him Father  
With adoration, gratitude and praise  
Saying, it is My Father who sent me  
He has taught me His holy ways.

**Ministering, praising, giving.**

That's why I always thank Him  
With praises that never cease  
He sent Christ and He made Him  
Lord of Lords and Prince of Peace.

**Ministering, praising, and giving.**

So shall you do the same thing  
Give thanks and enter His grace  
Then He will do greater things  
When you enter His secret place.

**Ministering, praising, giving.**

Be bound to give Him thanks  
Be tied up with joy in His will  
Get locked into His holy words  
And your prayers will He fulfill.

# A WOMAN ANOINTED

A woman anointed  
Appointed by God  
Is no longer her own  
But belongs to the Lord

Her words, her ways  
The way she acts and walks  
She uses tact and wit  
Every time she talks

She's misunderstood  
And often pushed aside  
But pregnant with destiny  
And God as her guide

She's anointed to heal  
She's anointed to pray  
She's anointed to live  
Righteous every day

She's anointed to speak  
She's anointed to teach  
She's anointed to reach out  
And repair the breach

A woman anointed  
A woman brave  
A woman pure  
Preserved to save

This woman's awesome  
This woman's anointed  
This woman's called out  
She is God-appointed.

# Jonah

## and Babyfied Men

I've said it once and I'll say it again  
Who wants to deal with babyfied men  
Except for a mama who is full of void  
No woman or wife, not even the Lord.

To babyfied Jonah, God said to "Go!"  
Jonah did the opposite telling God "No!"  
Back to the womb, Jonah was sent  
Into the whale's belly three days spent.

After three days stay in the belly of the whale  
Jonah grew quickly to a full-grown male  
No running against or running away  
Nineveh's 3-day trip, he arrived in one day.  
Jonah 3

A babyfied man is a mama's boy  
Responsibility is his very annoy  
Babyfied men are not men at all  
Real men stand true, great men stand tall.

*Blue whales* are the largest animals that have ever lived. They may grow up to 100 feet (30 meters) long and can weigh more than 150 short tons (135 metric tons). They are speckled blue-gray and white but appear evenly blue underwater. Some have growths of tiny yellowish organisms called *diatoms* on the belly. Blue whales live in all the oceans but are classified as endangered species. They feed almost entirely on small shrimplike animals called *krill*, which are part of the plankton.

# ONE Simple Word

One simple word Jesus had to say  
Demons and imps had to go away.  
Legions of demons and multitudes ill  
Foul spirits fled at the Savior's will.  
All He said was the one word, GO!  
That word alone was a lethal blow.  
It's power so strong that they had to flee  
T'was the power of God to set victims free.  
And that same power, is it not in YOU?  
For with God's Spirit, we have power too.  
Acts 1:8

## The Secret Place

Let me dwell in Your secret place  
Almighty God, the Most High  
You are my refuge and fortress  
Why You love me, I know not why

Surely, You shall deliver me  
From the snare of the fowl  
Under Your wings and feathers  
Is deliverance from the wicked and vile

Let Your truth be, yes a shield  
A buckler blessed shall it be  
I will never have to be afraid  
There shall no evil befall me

I make Thee my habitation  
Where the angels guard my soul  
To help keep me in Thy ways  
Till I walk the streets of gold

This is my place, a safety net  
Against death, war and fear  
I shall not fret of anything  
For My Father is always here.

# Spoken Down

Are you one of God's children who's spoken down?  
Treated like Christ forced to wear a thorny crown?  
Who is the great accuser, the famed enemy of man?  
Walking to and fro, he brags, up and down the land.

I have tried to avoid it in every way every day  
But still I get accused no matter what I do or say  
And so was Jesus Christ, Peter, Paul and Moses  
Life for serious Christians is not a garden of roses.

If you study Jesus' life, look at His ministry  
Notice how accusers hounded him continuously  
Everything He said, even miracles He performed  
The religious leaders plotted to have Him harmed.

Seven times recorded, Christ healed on the Sabbath  
They accused Him of violating the Old Testament tablet  
Christ was spoken down, then brutally crucified  
Because of their accusations, the Savior bled and died.

The great accusers are talking and stirring up strife  
Oh that un-taming tongue with power of death and life  
Words can hurt you, destroy, slander, and kill  
The great accusers of the brethren are full of ill-will.

Are there righteous in the Bible, genuine and pure  
Who did not have to ever weep or shed a tear?  
Jeremiah, David, Peter, Jesus and St. John  
Shedded some tears for God's will to be done.

Be ready to be accused, know how to react  
With wisdom and power, knowledge and tact  
Offences will come but woe to those who offend  
For surely, the accusers will reap a terrible end.  
Matthew 18, Exodus 24:12, II Corinthians 3:3

# BLIND, BOUND, BALD

*and READY TO DIE*

Blind, bald, bound and ready to die  
Tell us Samson, the mighty man, why?  
Your power and strength gone in one day  
Because of a woman it was snatched away

Was it her beauty, was it her charm?  
How is it that Delilah caused you this harm?  
Delilah took control of your soul and mind  
And left you bald, then made you blind

Sent you to prison to be chained and bound  
Then she never again came back around  
This was the wife forbidden you chose  
She proved the strongest of all your foes

But now your heart and soul are bruised  
Without any doubt, you know you were used  
So in your final and last earthly hour  
You asked the Father to give back your power

And to your enemy's unexpected surprise  
Your hair grew back before they realized  
And just like Christ whom they thought was gone  
Had just stepped up to a heavenly zone

You requested your power to come back to you  
Your power came double from one man to two  
The mighty temple you brought to the ground  
After this exploit, you were no longer bound

For like Christ you became ready to die  
You destroyed more enemies with just a sigh.

# Don't Worry About Anything Pray About Everything

Don't worry but do pray  
God is telling us today  
I am the Way, I am the Truth  
The Holy Bible gives you proof.

Don't worry but do pray  
God's reaching out to us today  
Ask, knock, seek and find  
Walk confident in His will divine.

Don't you worry but do pray  
And you will stand comes what may  
With holy strength and heavenly might  
You may lose a battle, but win the fight.

So don't you worry, but do pray  
Let God's Spirit tell you what to say  
All your concerns, give them to prayer  
Christ has said, "Lo, I'll be there!"

There with you to the very end  
Every broken heart I will mend  
So don't you worry, don't you fret  
I have never failed My children yet.

# Watch What You Eat!

From ancient times until right now  
We MUST watch what we eat  
For just as Adam and Eve faltered  
We too can die from food of deceit.  
If we follow the Bible's guideline  
For long life, health and strength  
Genesis 1-3 gives the food mix  
All foods of the earth heaven-sent.

For long life, we must be cautious  
Of all thing that affect our temple  
I mean the temple which is our body  
God laid it out quite plain and simple.  
The Israelites ate God-give foods  
Foods that grew up from the ground  
Fruits, juices, herbs and vegetables  
They stayed younger, strong, sound.

For fuel, our body needs vitamins  
Minerals and just a tiny bit of fat  
Any fruits and lots of carbohydrates  
Yes, its as simple and easy as that.  
Animal foods are still okay though  
According to Bible, in moderations  
Healthiest people of ancient times  
Served meat feasts at celebrations.

Heart disease, cancer and arthritis  
Catastrophes and the heart attack  
Low blood, obesity and strokes  
Time to bring good traditions back.  
Like the tradition of eating wisely  
Of the health-rich foods of the Bible  
To repair and strengthen our bodies  
Let's have a peasant's menu revival.

The peasants and the Israelite slaves  
Had to eat bland herbs and grain  
The rich ate meat with fatty sauces  
Their eating caused death and pain.  
Read the Bible and you will find out  
Peasants diets are best for health  
The rich feasted all the time on fats  
The death of them was their wealth.

Forty years the Israelites wandered  
But stayed healthy to the very end  
Those who died were the disobedient  
Worshipped idols, complained, sinned.  
For their diet consisted mainly of apples  
Garlic, cucumbers, melons and wheat  
Lentils, barley, radishes and seeds  
Food is deadly--watch what you eat!

A great healing and traditional fruit  
Actually does keep the doctor away  
It dates all the way back to the Bible  
The good apple, eat one every day.  
The cucumber, melons and garlic  
Prevent illness, maintain and restore  
Onions, leeks, lentils and barley  
To remedy sickness, first seek the core.

God wants to bring us into good lands  
Read Deuteronomy in Chapter Eight  
A land of olive trees, wheat and honey  
Don't let a diet be your death, your fate.  
A food extremely rich in nutrients  
Apricots promote a longer life span  
Berries are rich in insoluble fiber  
Eat as much of them as you can.

But remember again, use moderation  
For the apricot is naturally sweet  
It's rich in beta-carotene and sugar  
For bursts of energy, it's seldom beat.  
There are healing powers in these fruits  
The berries, cherries, currants and figs  
Isaiah used figs to heal King Hezekiah  
But beware of animal foods such as pigs.

If you need the perfect pig-out foods  
Eat these to your soul's content:  
Fruits, vegetables, grains and herbs  
Stop defiling your body and repent.  
Our Father would not create a world  
And then forget that we need to eat  
He initially wanted us to live forever  
But Adam faltered for the food of deceit.

# Visionaries, Come Forth!

*Identification...Revelation...Intimation  
Stimulation...Gratification...Impregnation*  
All Visionaries, man your battle stations!  
SS 1:2; Isa. 54:1; Esther 5:1-8

Calling all arms for visioned victory!  
Fight! Intercede! Make that plea!  
Travail and mourn for true prophecy!  
Bear down for birth, pray fervently!  
Gal 4:18; Romans 8:26; Micah 4:10;  
Isaiah 66:8; II Kings 19:3; Romans 8:26;  
Exodus 1:17-19; Jer. 9:17-21

Write down the Vision, make it plain  
Be ready to learn and skilled to train  
Force not the Vision, just let it come  
It's a call for arms to Gilead's balm  
Jer 8:22; Hab 2:2

Prepare! Equip! Defense! Attack!  
Rise up royal ones and take it back!  
Calling all arms to the battle field!  
Visionaries, courageous, holy and real!  
Quickly gather to His holy hill!  
It's birthing time, warriors come kneel!  
The baby's coming, our Father's will!  
To be done in Earth, tarry until!  
Quickly gather His holy hill!  
It's birthing time warriors come kneel!  
Calling all arms to the battlefield!  
Visionaries courageous, mighty and real!  
Warriors bold and spirit-filled!

Procuring twelve steps to delivery:**

Intercession'

**Step 1**, first there must be intimacy  
*Prayer, Praise and Worship precede victory.*  
**Step 2**, the signs of pregnancy  
**Although hard to believe, seek true prophecy.**

**Step 3**, the hair and nails start to grow  
**The vision is clearer and you begin to know.**  
**Step 4**, the skin and face have a glow  
**The success of the vision will start to show.**  
**Step 5**, morning sickness makes you queasy  
**Eating (study) frequent meals (word)  
will make it easy.** Job 23:12; Gal. 6:9

**Step 6**, fatigue and tiredness, time is near  
**Satan tries to wear you out and discourage,  
but do not fear.**

**Step 7**, stay close to restroom for necessary  
breaks **Stay close to strong believers, stay away  
from fakes.** Hebrews 10:25

**Step 8**, constipation/hormones will slow  
digestion down **The vision stands still,  
seems you're going around and around.**  
Psalms 37:7

**Step 9**, 2nd/3rd Trimester, headaches, colds, flu  
**Beware of germs of unbelief, Let true believers  
pray with you.** Matthew 18:19

**Step 10**, Sickness? Call your doctor to come back  
around **Choose anointed intercessors, people  
free not down or bound.**

**Step 11**, Swelling, fluid and toxic weight gain  
**Watch what you do, see, eat--does it lift God's  
name? The vision is enlarging, it will increase,  
expand Don't surrender to the carnal, but to  
the spiritual man.** Isa 54:2; Heb 12:1

**Step 12**, Hemorrhoids, backaches, leg cramps,  
heartburn. **Don't force the Vision, though it  
tarry (labor) the head will turn.**  
Hab 2:2; Psalms 46:10

*If you pass these steps, your delivery will come  
That Vision, that Dream, the BABY will be born!  
After the Vision is born, nourish it and protect  
And Remember God did it, never ever forget.*

# A Talk with God

I had an interesting conversation with God last night  
He spoke to me in my dream and told me I wasn't living right

He said it would be such a shame for a person like me to go to Hell  
Because Hell isn't where I belong, that is where true sinners dwell

God told me I was a good person with a heart as pure as gold  
And contrary to what I believe, he could easily cleanse my soul

He told me the first thing I must do is stop giving Satan an more time  
Because the more I let him in, the more he'll confuse my mind

He told me I must forgive and forget all the things done to me in the past  
Because if I walk around with hatred, my faith will never last

He told me not get involved with the chaos of this earth  
He's just letting the Bible fulfill itself from the beginning to the last verse

He told me not to get discouraged since I seem to have one problem after another  
If I live right and do His will, I would be blessed like all of the others

God said He must be going, but before He started on His way  
He wanted me to speak with His son Jesus because there's something He had to say.

## ***Jesus appears into the room and says to me..***

Chris, I didn't come to judge you, but I will tell you the deal  
If I can sacrifice My life for the world, you should be more than willing to do God's will

We have expectations of you because we see you know the way  
But you must hurry and make preparation because tomorrow could be your day

Before I could open my mouth to speak, They were gone without a trace  
But before I could wake up from this dream I noticed something else standing in their place

I didn't even have to look up to know what was in my path  
I've encountered Satan many times before but this would have to be the last

He told me I was a fool to even listen to what a false God had to say  
But this time I said he was the fool and I awaken and began to pray.

## I heard the Angels sing.

# Angels Singing

They were sweet incessant voices impossible to describe. Definitely not human. Too holy, pure and beautiful. How it astonished my mind for it was so wonderful and marvelous and glorious. Ever since that vision and that dream, I have never been the same. Singing used to be something I did a lot, but since I've heard true Angel voices, no one has compared. No one. If you had heard those angelic voices, you would feel the same way I do. We don't even compare. It was May 15, 1994, Sunday morning. As usual, I did not feel well. My body wrecked with pain as always since 1980. So I was going to just stay in bed, not go to church, try to rest or feel better. As I lay down, I heard something that sounded like voices in the wind. It was as if the voices took over my being. *"Isaiah heard them and described them as a great antiphonal chorus and he said such singing it was that it shook the temple to its foundations and suddenly the entire sanctuary was filled with smoke."* The flying beings didn't look male or female to me. They were humming in perfect melody. It tuned out everything. The power of the Voices made my heart hurt. It pierced me and took my breath away. I felt fear, joy, and sadness. I said to my husband at that moment, *"That's it I'm going to church!"* The month before I had had another dream. In this dream, I was in our parent's old house. I heard voices so strong, loud, rushing as if they were upon me. I pulled back the window curtain then I saw Angels in the clouds coming up and down towards earth swiftly--very swift and singing *Allelujah, Allelujah.* I wanted to say "Forgive me Lord" but it was too late. Everything seemed so quick. Quick. I can't explain the quickness of it. They were huge, yet they looked normal. The sky was dark, but the clouds were white and I could see them coming in the clouds. I remember no faces. There was some light that they made. So it was dark, yet it was light. I have seen other visions, and had other dreams but never have I been so affected by any such as these. Since hearing angels, I have awoken to things I've not seen or heard before. Prior to all of this, I was traveling to churches, showing Revelation's end-time movies about Prophecy. My ministry suddenly changed. Doors were closed. Problems and trouble overwhelmed me and I stopped. Then, God let me hear those angels and after that, for the next two months, I was brushed with death. Yet God has allowed me to survive for a reason. I am determined even more today to do God's will. So I pray, *"Please help me Father to do whatever you say in the right spirit and in the right way. Thank you for the Visions. Open my eye and ear to hear what the Spirit is saying and walk in it accordingly."* So Be IT!

*Crippled, but not destroyed....*

II Samuel 9, Acts 3, John 5

## A SUFFERING MINISTRY

I'm crippled you see  
It's my misery  
I was only age five  
My nurse kept me alive  
My family's all gone  
I am left alone  
But David, the king  
Did an honorable thing  
He took me in  
From Lodebar, the den  
Lodebar no more  
Sick, broken or poor  
I sit with the King  
I have a new thing  
God fetched me out of  
To give me His love.

Tho' I limp from birth  
God values my worth  
Now for forty years  
I've shed many tears  
By this beautiful gate  
Peter prayed with faith  
Asking in Christ's name  
For me, a beggar lame  
God fetched me out of  
To give me His love.  
Then He said, "*Soon,*  
*I'll heal ever wound,*  
*I'll break every curse,*  
*I'll cleanse the earth.*  
*No more pain or stress*  
*No more crafts or hex.*

*Crippled ones be glad  
And be no more sad  
I hand you the key  
To life and liberty  
I turn limps into leaps  
Of sweet victory  
For your misery  
Marks your ministry."*

*But we have this treasure in earthen vessels, that the excellency of the power may be of God, and not of us. **We are troubled on every side, yet not distressed; we are perplexed, but not in despair; Persecuted, but not forsaken; cast down, but not destroyed;** Always bearing about in the body the dying of the Lord Jesus, that the life also of Jesus might be made manifest in our body. 2 Corinthians 4:7-10*

# THE LAST WEDDING

Let us be glad and rejoice, and give honour to him: for the MARRIAGE OF THE LAMB is come, and his WIFE hath made herself ready. And to her was granted that she should be arrayed in fine linen, clean and white: for the fine linen is righteousness of the saints. And he saith unto me, Write, Blessed are they which are called unto the marriage supper of the LAMB. And he saith unto me, These are the true sayings of God. *Revelation 19:5-9*

The Church, His Bride, is getting ready  
For the Bridegroom, Christ, will come  
The greatest wedding of all the earth  
Heaven's destiny will make them ONE.

The Bride was made the Perfect One  
For she heard the Bridegroom's voice  
The Lord God Omnipotent reigneth  
Let us honor Him, be glad and rejoice.

Let us be glad and rejoice  
The marriage of the Lamb is come  
These are the true sayings of God  
Here is wisdom: It is Done!

Let us be glad and rejoice  
The marriage of the Lamb is come  
These are the true sayings of God  
Here is wisdom: It is Done!

And It...

Was So!

He spoke to the clouds for Israel  
 Then the clouds became their guide  
 He commanded the great Red Sea  
 To take Israel to it's other side  
 He spoke strongly to Minister Joshua:  
 "Get up, get ready to lead.  
 Go now to possess the land  
 Be encouraged, be strong, take heed."  
 He spoke to appointed judges  
 To the prophets and to the kings  
 To all the Hebrew nation  
 He promised them most glorious things  
 Then He looked deep inside Himself  
 And saw the most brilliant of all  
 It was power, love and wisdom  
 The WORD to cure Man's fall  
 So the Creator stepped into Creation  
 The Living WORD, Christ Emmanuel

**God With Us** alive amongst us  
 Christ Jesus to save all from Hell  
 He sent His Holy Gift for everyone  
 Thru Christ, the Living WORD  
 Thru the Bible, the Written Word  
 He's speaking but have you heard?  
 He is speaking in the pulpits  
 He is speaking in church pews  
 He is speaking thru holy tongues  
 To spread His gospel news  
 He is speaking in the whirlwinds  
 The Creator of all Heaven and Earth  
 The time is slipping away  
 Do you know what your Soul is worth?

God Said...

Our Creator looked inside Himself  
 And He saw there so much to give  
 So He pulled out of Himself, WISDOM  
 And gave Angels a spirit life to live  
 And then He saw inside Himself  
 How His heart was so full of grace  
 So He pulled out of Himself, LOVE  
 And created us, the Human Race  
 All things new, He spoke them  
 He spoke the Day and the Night  
 He called the darkness evening  
 Morning, He called the Light  
 He talked with His LOVE, Adam & Eve  
 From the day humanity began  
 He nurtured both the man and woman  
 But then Man chose to sin.  
 Then the Father in Him manifested  
 To restore human destiny  
 All answers right there inside Him  
 To redeem all humanity  
 Since Man disobeyed His Creator  
 War of evil and good was born  
 Man had become a fallen soul  
 Broken-hearted, blemished and torn  
 God spoke and down came rain  
 It rained 40 nights and 40 days  
 Prior to the rain, He spoke to Noah  
 To warn men to change their ways  
 Then later He spoke to Abram  
 Making him a covenant friend  
 He gave him an eternal promise  
 Of a nation born to never end.  
 He sent down Angels to fight  
 He spoke to Joseph in his sleep  
 He talked with Moses on the mountain  
 His words made Jeremiah weep

One Day...

Jesus healed me yesterday  
 When I entered my closet to pray  
 With the cell phone in my hand  
 After his sermon, I up and ran  
 To call *Breakthru* on the phone  
 To the other end my request was known  
 The lady speaking on the other side  
 With a voice pleasantly replied:  
 "What can we do today for you Dee?  
 Tell us dear, what is your plea.  
 Then I told her about my pain  
 That twenty years it had remained  
 And how that I experienced no peace  
 And how the misery would not cease  
 Then I told her her I'd tried it all  
 And that's when she began to call  
 Jesus, please heal this your daughter  
 And she'll witness what you taught her  
 I lift her up, Dear Lord, to you  
 I know that you can pull her thru  
 Lord I command this thing to go  
 Because of Your blood this is so  
 Now, Dee, put your hand on the place  
 Believe in God and His grace  
 Oh how I feel such great power  
 I feel His Spirit this very hour  
 My sister, the Lord our God has healed you  
 Thank Him now for this is true  
 Daily give Him holy praises  
 For His grace forever amazes  
 His love is strong and it goes deep  
 We began to shout, rejoice and weep  
 You are already healed my daughter  
 It's a gift from your holy father  
 Claim it each and every night and day  
 And your healing won't go away  
 Dear God bless my *Breakthru* friend  
 My prayer sister at the phone's end  
 Mighty blessed let her life be  
 From today until eternity  
 For out of bondage 21 years  
 Every day shedding many tears  
 The horrible pain has now been eased  
 And my afflictions have now ceased  
 Thank God for the *Breakthru* prayer  
 And God's warrior who was there.

# STUDY JESUS

Enemies roaring, heathens rage  
Demons quiver, yet obeyed  
Study Jesus, learn His ways  
His philosophy and how He prays  
Seek His wisdom and His passion  
Don't you cease till satisfaction  
Observe his actions, what He said  
How He live His life Spirit-led  
How He treated His friends, foes and brother  
His sister, father, Mary, his mother  
And o' yes, what about His bride?  
For His bride, Christ Jesus died  
Learn to study Jesus, focus on Him  
Keep your eyes on Him, not on them  
Study King Jesus, study the Christ  
Study His philosophy, study His life  
His walk, His will, His faith, His trials  
How he conquered Satan in all his wiles  
Study Christ Jesus, learn His ways  
His great philosophy, how He prays  
Seek His wisdom, grasp His passion  
Don't you cease till satisfaction.
